

Agile. Bold. Creative.

Neon is a vibrant global insurer that adapts to its clients' specific needs.

A SPECIALIST IN COMPLEX RISKS

Operating from offices across London, Bermuda, Guernsey and Italy, Neon is highly experienced in underwriting a diverse range of property, specialty, casualty and marine risks on a direct and reinsurance basis, as well through delegated authorities.

We are not afraid to challenge the status quo, proactively creating bespoke coverage for clients and preparing packaged products where appropriate.

GAIG & AFG

- Neon is a proud member of Great American Insurance Group (GAIG), the insurance operations of American Financial Group (NYSE: AFG)
- GAIG's roots go back to 1872 with the founding of its flagship company, Great American Insurance Company
- GAIG has been rated "A" (Excellent) or better by A.M. Best for over 100 years
- The average statutory combined operating ratio of AFG's Property & Casualty operations is over 10%-pts better than the 10-year US commercial lines industry average
- AFG's strategy is to allocate capital to insurance operations which it believes offer competitive advantage or unique opportunities
- AFG has approximately US\$60 billion in assets

LLOYD'S

- Neon operates within Lloyd's, the world's pre-eminent specialist insurance and reinsurance market
- Lloyd's is strongly capitalised, maintaining A or A+ ratings amongst top rating agencies
- Neon's policyholders gain additional comfort from the Lloyd's chain of security and the Lloyd's central fund

MARINE LIABILITY

As a lead market for marine and energy liability risks, our experienced Marine Liability team has deep knowledge of the sector and offers a broad range of products and solutions.

APPETITE & COVERAGE

MARINE LIABILITY

Our marine clients represent most sectors within the marine transportation and services industry and principally we provide coverage for:

- Excess P&I
- Charterers Liability
- P&I Club Reinsurance
- Marine Trades
- Ports and Terminal Operators Liability
- Maritime Employers Liability and Umbrella
- Shipyards – General and Ship Repairers Liability
- Bespoke solutions for projects

We also write marine liability interests packaged with other marine lines.

ENERGY LIABILITY

Our energy liability business covers a range of upstream onshore and offshore activities.

The principle risk areas we cover are:

- Lease holders as operator or non-operator
- Contractors
- Oil Pollution Act
