

Agile. Bold. Creative.

Neon is a vibrant global insurer that adapts to its clients' specific needs.

A SPECIALIST IN COMPLEX RISKS

Operating from offices across London, Bermuda, Guernsey and Italy, Neon is highly experienced in underwriting a diverse range of property, speciality, casualty and marine risks on a direct and reinsurance basis, as well through delegated authorities.

We are not afraid to challenge the status quo, proactively creating bespoke coverage for clients and preparing packaged products where appropriate.

GAIG & AFG

- Neon is a proud member of Great American Insurance Group (GAIG), the insurance operations of American Financial Group (NYSE: AFG)
- GAIG's roots go back to 1872 with the founding of its flagship company, Great American Insurance Company
- GAIG has been rated "A" (Excellent) or better by A.M. Best for over 100 years
- The average statutory combined operating ratio of AFG's Property & Casualty operations is over 10%-pts better than the 10-year US commercial lines industry average
- AFG's strategy is to allocate capital to insurance operations which it believes offer competitive advantage or unique opportunities
- AFG has over US\$55 billion in assets

LLOYD'S

- Neon operates within Lloyd's, the world's pre-eminent specialist insurance and reinsurance market
- Lloyd's is strongly capitalised, maintaining A or A+ ratings amongst top rating agencies
- Neon's policyholders gain additional comfort from the Lloyd's chain of security and the Lloyd's central fund

ENERGY

Our skilled and experienced Energy team offers a variety of packaged policies, focusing on building strong, long-term client relationships while understanding individual insurance requirements.

APPETITE

We offer upstream energy coverage on worldwide operations to the whole spectrum of companies involved in the industry, from independent SMEs to national oil companies. We are always open to tailoring our coverage to client needs.

We provide coverage under energy package policies for the following:

- Physical Damage to Offshore Installations and Mobile Units
- Operator's Extra Expense
- Business Interruption – Loss of Production Income and Loss of Hire following Physical Damage
- Third Party Liability
- OPOL
- Total Loss Only

LINE SIZE

- USD 20,000,000

CLIENTS

- Small, medium and large independent oil and gas companies
- Large, integrated energy companies
- National oil companies
- Drilling contractors

GEOGRAPHIC FOCUS

Neon can insure clients' worldwide operations. We are able to underwrite in any country where Lloyd's is licensed to trade, with a particular focus on:

- North Sea (all sectors)
- Canada
- West Africa
- Asia Pacific region

WHY CHOOSE NEON?

We understand that on occasion, our clients may require amendments to their insurance policy, which are time-critical.

Neon can provide a rapid turnaround time to ensure coverage is in place for our clients so their operations can continue without disruption.
