

T A R I A N

Nimble, dynamic and innovative – we put our clients at the heart of everything we do.

FINANCIAL STRENGTH AND STABILITY

Tarian launched in January 2017, focusing on cyber, technology professional indemnity and errors and omissions.

Tarian is part of Neon, an established Lloyd's underwriter who leads the Tarian Consortium. Tarian's policyholders therefore gain additional comfort from the Lloyd's chain of security (inc. the Lloyd's central fund). Lloyd's is strongly capitalised, maintaining A or A+ ratings amongst top rating agencies.

Neon's ultimate parent is American Financial Group, Inc. (NYSE: AFG) which has approximately US\$60 billion in assets. AFG's lead insurer, Great American Insurance Company, has been rated "A" or higher by A.M. Best for more than 100 consecutive years.
